

NCCER Instructor Training

The AGC of Kansas has scheduled several NCCER ICTP (Instructor Certification Training Program) seminars across the state over the next few months. Below is registration information for the Hutchinson session.

DATE: February 11-12, 2010

TIME: 8:00 A.M. - 4:30 P.M.

**LOCATION: Hutchinson Community College
Shears Technology Center, Rm 205
1300 N. Plumb**

**SIGN UP
TODAY!**

This workshop will benefit any instructor that plans to teach the NCCER curriculum. This workshop will offer the in-depth training required to assess and provide students with industry approved certification.

COST: \$75 for Kansas secondary & postsecondary craft instructors & \$150 for other participants. Registration includes all books and materials required to complete the workshop. Lunch is included for those who register prior to seminar.

Fax the completed form back to 785.266.2561 by February 8, or call Ward Nippert at 316.634.6391 with questions.
